

The American Institute of Mathematics and Morgan Hill Math present
MATHCOUNTS®
for 7th and 8th Grades at Martin Murphy Middle School

You are receiving this flyer because your student has been identified by his or her teacher as someone who might particularly benefit from and enjoy participating in MATHCOUNTS,

MATHCOUNTS is a national enrichment / coaching program for middle school students who enjoy problem solving and want to explore areas outside of the normal math curriculum. (See www.mathcounts.org for more details and sample problems.) In this “sports team” style program, students are encouraged to do their best, push their limits and excel. Our program is free of charge, and all that is required is a love of math and desire to learn. The ten week program will run from the first week in October through the second week in December, with four selected students continuing on through January and attending the Monterey Chapter competition in February.

To support all Morgan Hill students who do not have an on-site MATHCOUNTS program, we are offering a weekly centralized program Wednesday evenings at the Morgan Hill Centennial Recreation Center (CRC). All Morgan Hill students unable to participate in an on-site MATHCOUNTS program at their school are welcome to attend these classes.

When: Meetings are Wednesday evenings at the CRC. *The first class will be September 14st* and the last will be on December 14th. There will be NO class on September 21st or during Thanksgiving week.

Time: 7:00 – 8:30 pm on 9-14, 9-28, 10-5, 10-12, 10-19, 11-2, 11-9, 11-16, 12-7, 12-14
5:30-7:00 pm on 10-26, 11-30

Place: Meeting Room #1 at the Morgan Hill Centennial Recreation Center (CRC)
- On 9-14, 9-28, 10-12, 10-26, 11-16, 11-30, 12-14
Meeting Room #2 at the CRC
- On 11-09
Party Room at the CRC (straight ahead from the lobby, on the right)
- On 10-5, 10-19, 11-02, 12-07

Forms: If you are interested in participating, please complete the attached form, have your parent sign it, and bring it to the first meeting.

Questions? For questions about this class, please contact coach, Dave Holmstrom at (408) 460-2185 or cubmaster712@hotmail.com. For questions about other MATHCOUNTS classes being offered in Morgan Hill, please contact AIM's Middle School MATHCOUNTS coordinator, Elizabeth Mandel, at (408) 427-7061 or eamandel@verizon.net.

For more information about AIM's Morgan Hill Math community outreach programs, please go to www.morganhillmath.org.

MATHCOUNTS 2011
